Woking Vets

Club History

Woking Vets FC formed in 2018 for a few friends to continue their playing days. We were supported by great sponsors and plenty of keen players to form a new club.

We entered the Farnham & District League in division 4 and the club has grown and gone from strength to strength since.

The following season, an additional vets' team was added and both teams were unable to complete their seasons due to covid-19.

In 2020/21 season, our 3rd as a club, we grew again with the formation of a 3rd Sunday vets team and 2 new Saturday teams who would be non-vets and compete in the Guildford & Woking Alliance leagues. 5 teams in only our 3rd season which ended up being hit again with covid and our Saturday teams were unable to complete their seasons but the reserves did get to a cup final and lost on pens.

All 3 Vets teams were able to complete their league seasons, with all sides gaining promotion following finishing runners up. Our Sunday 3rd team (Mavericks) were hugely successful and lifted the Charity Cup to cap off a fine season.

We grew again in the 2021/22 season with another vets team, making it 6 teams going into what we hope will be an uninterrupted season. A good season with 3 of the 4 vets sides winning their leagues and the other getting to a cup final. The non vets Saturday teams came close but both gained promotion.

The 2022/23 season was a hugely successful season across the club, particularly with our Sunday Vets 1st team who managed to win the treble of the League, League Cup and County Cup with our Saturday 1st team winning the Aldershot Cup.

The current season has seen the club operate with 7 teams, 4 Vets on Sundays and 3 non-vets on Saturdays and managed to secure a number of good sponsorships across the club – our main sponsor being Cala Homes. This is the 6th final of the clubs 7 cup finals for this season as we look to win some silverware.

As we enter into the ADFA (non vets) Sunday cup for the first time, we are the underdogs as we face a very strong Camberley Magpies who have a few step 5 players amongst their ranks. We hope for a competitive final and wish everyone involved a good day.

Player Profiles

Richard Shelley, 40, Keeper Ball playing keeper/sweeper. Great shot stopper but struggles to kick over the half way line. A fantastic acquisition to the team full time this season.

Brad Read, 41, Defender Team captain and been a leader for the last few seasons. Big presence within the side and loves to lead the back line.

Donovan Wilson, 50, Defender Statesmen of the side and been a strong player for us over recent seasons. Last seasons managers player of the season and hasn't stopped delivering his faultless appearances.

Michael Tasker, 38, Defender Rates himself as the best left footed player in Surrey, not just the club. Technically good on the ball and has good vision.

Paul Shorter, 41, Defender Strong across a range of positions and does the job wherever he is asked to play – pulling off great displays across the whole pitch.

Simon Hamilton, 38, Defender Another versatile player who has been involved in every game this season (think he wanted a cup final spot ha ha). Never moaned and a great club players. Always delivers his best, wherever he is playing.

James Hunt, 41, Defender Man mountain of a defender who takes no nonsense. Not sure he likes to run which is why he likes a tackle we're assuming.

Danny Springett, 38, Defender Never has a moan and gets stuck in when involved. Been great to have as part of the squad as he does add some humour!

Tom Davis, 38, Midfielder Struggled with injuries this season to show his best, although famous for a social media clip for his goal scoring exploits from years gone by.

David Risk, 41, Midfielder Forever ageing and forever delivering nutmegs against everyone (young of old). Creative midfielder who can also fill in a number of positions.

Danny Byrne, 41, Midfielder Hard working midfielder who protects the defence very well. Chips in with odd goal and even nutmeg along the way.

Michael Barbieri, 41, Midfielder Always delivers when called upon. Energetic midfielder but not been around much this season.

Neil Roissetter, 39, Midfielder Mr Duracell – never stops running. Very competitive and loves a challenge. Breaks up a lot of play and assists in creating ours from time to time.

Robbie Wilson, 38, Midfielder Another creative and hard working midfielder. Chips in with a goal from time to time too. Adds plenty of quality.

Bobby Hogg, 39, Midfielder Re-joined mid-season and has helped bolster the squad following a few injuries. Another creative and quality player who loves to score a few goals.

Darren Goswell, 36, Midfielder Helped out the squad from time to time after stepping up from our reserves side when they don't have a game. Full of energy across the pitch.

Nic Ciardini, 35, Striker Much sought after striker who has joined this season and currently our top scorer. Has high standards and has added that cutting edge we missed in previous seasons.

Matthew Clark, 35, Striker Been an injury plagued season so we haven't seen the best of him yet. Lots to prove and fitness fanatic so will get a chance to prove what he's worth in time.

Russ Gray, 41, Striker, Deceptively quick and knows how to find the back of the net. His son started academy football which has limited his appearances this season.

Asrick (Jason) Samuels, 38, Striker, Always has a smile on his face, especially when playing football. Just loves the game and being around the squad. Has a little pace and created so many goals for the team, could probably add a few more himself.

Mark Thomas, 42, Striker, Fittest 40 plus player around. Will run rings around many younger players and loves to visit the gym prior to a game – WHY!! Scored plenty of goals as well as assisted them too.

Ricky Hogsden, 39, Striker, Re-joined mid season and has been involved plenty with goals too. Able to cover along the front line or in midfield. Works hard and has enjoyed his return.

Craig Smith, 38, Keeper

Craig has helped out a few times this season and is a great understudy to Shelley, known each other for years too.

Scott Evans, 33, Mr Versatile

Been an ever present over the years in our non vets cup games. Offers the team plenty of options across the side, along with a set of younger legs to run and run some more.

Camberley Magpies

Club History

The club was established at the beginning of the 2017/2018 season. Despite a challenging start, it has progressively flourished, achieving considerable success through promotions and cup victories in recent years. Many of the players have been teammates since their childhood days in football and continue to play together. This current season stands out as our most triumphant, with us clinching the league title and advancing to two cup finals (both yet to be played at the time of this writing).

Playing squad

Jake Woods (Gaffer) - Is most definitely our big time Charlie, plays Saturdays and lets everyone know about it and as a gaffer definitely thinks he is Pep Guardiola

Ryan Chalmers- reckons he's the most vocal on the pitch but never says a word, if only he spoke as confidently as he did on national television where he said he could pull any bird (Ibiza Weekender series 4 episode 10)

Owen Blythe- performs like Harry Kane in training but in matches he plays like Kenwyne Jones

Harry Gardner - would give Tom Daley a run for his money

Jake Domoney- realised camberley magpies were a bigger club than yateley Sunday.

Joe Darwell- never give this bloke an open goal or a deciding penalty. Decent skipper though

Luis Nash- bloke rocks up in the previous nights outfit to complete the warm up- the Hampshire Gascoigne

Miles Jones- Jonesy, great goal scoring season, 8 goals, what he won't tell you is that 6 of them were crosses

Zac Aubrey Simpson- this bloke is made out of paper, injury prone. Camberley magpies jack Wilshere

Sean Wilson- great feet and great composure, however he cannot handle a hangover

Joe dilks- Only bloke ever to ask to get subbed because his feet were cold

Dan Fuller- absolute rocket of a right peg, however is late to training often

Ant Clarke- the John O'Shea of the team plays anywhere and always gives a 7/8 out of 10

Zac Agombar- Camberley Magpies version of Cal the dragon

Sam Frommont- rocked up to a team night out in his training kit

Liam Hannaway- blokes got more red cards than goals

Ben Bowen- worlds biggest wind up merchant, no doubt you'll be hearing from him today

Danny frost- been a great addition to the squad, he's come a long way since nearly throwing up on his first session

Dominic Day - Really special occasion for this fella, being a Farnborough fan this is the biggest stadium he has ever seen.
